June 2014 Downtown Concert Series Announced

Performances Offer Free Family Fun

SEGUIN, Texas – The lineup for the June 2014 Downtown Seguin Concert Series offers something for almost every musical taste! The family-friendly concerts are free and held in Seguin's beautiful Central Park.

Central Park in historic downtown Seguin has plenty of grassy open space for kids to run barefoot. Those moving a little slower can plop down a lawn chair or blanket and sit back and enjoy a pleasant evening where the breeze blows through the huge pecan and oak trees and the water and colored lights dance in the beautiful art deco fountain.

For five consecutive Sunday evenings in June, bands and music groups will take center stage in the Central Park bandstand. Performances will include a mix of music with a final patriotic concert that salutes veterans and active military. Hot dogs, hamburgers, cold drinks and snow cones will be available from Scout Troop 107. The concession sales help support the group's camping activities.

Special thanks go to local business, industry and individuals who generously donate to support the Central Park Concert Series which is sponsored by the City of Seguin Main Street

Program. For more information on Seguin's Central Park Concert Series go to www.visitseguin.com.
